6Y5BF - DXpeditioneers K6DC, W6OKK, WB600L, and W6RGG returned from Montego Bay after a perfectly planned and executed trip. Except for a National Airlines pilot who seemed to want to land the DC-8 through the runway instead of on it, everything went very smoothly. They'll all be pleased to recount even the most minute details if you give them a chance at Ken's. The rough totals are:

Band	QSO	COUNTRY	ZONE	
160	6	5	4	
80	238	18	12	
40	847	31	20	
20	360	43	23	
15	563	30	15	
10	394	11	8	
Totals	2408	138	82	Rough Score: 1.1 Meg
